### Industry Engagement Initiative:

At Shobhit University, we understand that active engagement of the industry with the academia is vital for developing the required skills in the future professionals. To facilitate the industry in the current scenario of the skill gap on one hand and to enrich budding managers with the industry exposure on the other hand; an internship program has been incorporated in the course curriculum of MBA students by Shobhit University.

An internship is a wonderful and effective way to connect the acquired basic and core skills, academic knowledge by budding managers in the University and with the professional work arena of the industry. In this process both the industry and interns are mutually benefitted. On part of the industry it would significantly slash down the expenses to be incurred on talent hunt exercise and training of new recruits, whereas the interns will get an opportunity to further increase their potential and skills required for enhancing their employability. Moreover it will provide Best Match Hiring Opportunity to the industries, once internship is completed.
