Recognition of UGC 12(B) Status

Shobhit Institute of Engineering & Technology (Shobhit Deemed University) is proud to announce that it has been granted the prestigious University Grants Commission UGC 12(B) status. This recognition is a testament to the university's commitment to high standards of education and research. The 12(B) status was awarded based on the thorough evaluation and recommendation of the committee, affirming the university's excellence in academic and research domains.

Benefits of UGC 12(B) Status

With the UGC 12(B) status, Shobhit Deemed University is now eligible to receive grants from the UGC for various academic and research activities. This funding will significantly enhance our research initiatives, infrastructure development, and support for innovative projects.

Impact on Research and Education

The recognition of UGC 12(B) status will bolster Shobhit Deemed University's research capabilities by providing the necessary financial support for advanced research projects and collaborations. Our faculty and students will benefit from increased opportunities for academic development and access to state-of-the-art facilities. This milestone will also facilitate the acquisition of research grants and fellowships, enhancing the overall academic experience.

Commitment to Excellence

The attainment of UGC 12(B) status is a reflection of the dedication and hard work of the university. It underscores our continuous efforts to maintain and improve educational standards. The university is committed to utilizing the UGC grants effectively and efficiently to achieve our strategic objectives and contribute to national development.

Gratitude and Future Goals

Shobhit Deemed University expresses its profound gratitude to the UGC for recognizing our efforts and providing this valuable opportunity. We are dedicated to leveraging this support to further our mission of academic excellence and societal contribution. The university will continue to strive towards creating a nurturing and innovative environment for education and research.

This recognition is a proud moment for Shobhit Deemed University, marking a new chapter in our journey towards academic and research excellence.
