## REPORT ON

### Code of Conduct for Teachers

### "AWARENESS PROGRAM"

Shobhit Institute of Engineering and Technology, (popularly known as Shobhit Deemed University), is a NAAC Accredited, deemed to-be university established u/s 3 of UGC Act 1956. We are a research-based, industry oriented and highly ranked multidisciplinary University. Our academic programs are duly approved by UGC, and relevant statutory councils, i.e. AICTE, BCI and NCTE etc. Our strong Alumni Network, of more than 50000 graduates, extends throughout the world serving a wide spectrum of industries globally.

### ABOUT THE PROGRAM

The Awareness program was organized on the topic "Code of Conduct for Teachers, on 26th July '17 by Shobhit Institute of Engineering and Technology Deemed to-be University). The speaker was Mohd.Imran.

Mohd.Imran started the program by stating the preamble of the program as "In the Indian tradition of Guru-Shishya Parampara, the education profession is entrusted with the responsibility of molding the minds of young people so that they become worthy citizens of a humane society. Such trust and responsibility calls for the highest ideals of professional service and the highest degree of ethical conduct". He says that our belief that the Code will serve the purpose vests on two of its positives- i) it will be a self-imposed Code; and ii) the detailed Guidance to Practice which is appended to the Code makes it 'doable'; otherwise, we would have had to depend only on the power of positive thinking and the power of affirmations.

*Code of conduct mentioned by Mohd.Imran in the awareness program was as follows:-*

1. I will be trustworthy and build trustworthiness in my students by:

  
Registrar  
Shobhit Institute of Engg. & Tech.  
(Deemed to-Be University)  
NH-58, Modipuram. Meerut-250110

- Demonstrating professional competence to teach and learn
- Being honest and encouraging honesty in all my academic and other human activities

2. I will be trustworthy and build trustworthiness in my students by

- Demonstrating professional competence to teach and learn
- Being honest and encouraging honesty in all my academic and other human activities
- Honestly projecting my work by not indulging in copyright/IPR violation
- Making my services available at all times for the development of students, the institution and the Society I serve
- Providing honest and objective feedback that will help students to assess their learning and progress towards their goals

Our belief that the Code will serve the purpose vests on two of its positives- i) it will be a self-imposed Code; and ii) the detailed Guidance to Practice which is appended to the Code makes it 'doable'; otherwise, we would have had to depend only on the power of positive thinking and the power of affirmations!

At the end of the session Mohd. Imran quoted the lines of Swami Vivekananda

*"We want that education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet."*

*Handwritten signature and stamp in blue ink.*

### REPORT ON

### Code of Conduct for Faculty and Staff

### "AWARENESS PROGRAM"

#### ABOUT THE PROGRAM

The Awareness program was organized on the topic "Code of Conduct for Faculty and Staff" on 19<sup>th</sup> July 2018 by Shobhit Institute of Engineering and Technology Deemed to-be University). The speaker was Dr Jyoti Sharma. .

She addressed the faculty and staff of Shobhit University by introducing the meaning and purpose of "code of conduct" also why do we have and who needs to follow the code of conduct.

As members of the Shobhit University, we are responsible for sustaining the highest ethical standards of the University, and of the broader community in which we function. The University values integrity, honesty and fairness, and strives to integrate these values into its teaching, research and business activities Dr. Jyoti said

She mentioned general code of conduct of all employess such as:-

- All staff members of the University are required to be present in the University during working hours on all working days and days specifically notified.
- All members of staff are governed by the general duties and responsibilities prescribed for each category of employees.
- Perform all professional activities through proper channel.
- Avoid all types of unethical practices.
- Adhere all norms and standards set by the University from time to time.
- Employees/workers should not use cell phone during class hours, meetings etc.

Responsibilities of every faculty member:-

  
Registrar  
Shobhit Institute of Engg. & Tech.  
(Deemed to-Be University)  
NH-58, Modipuram, Meerut-250110

- Teaching Learning
- Course Planning and Material Preparation
- Examination, evaluation and grading
- Maintenance of Records

At the end of the awareness program Dr Jyoti stated that

Shobhit University is an institution dedicated to the pursuit of excellence and facilitation of an environment that fosters this goal. Central to this University's commitment is the principle of treating each community member fairly and with respect. The University prohibits discrimination and harassment and provides equal opportunities for all community members and applicants. We, as members of the Shobhit University, share a commitment to performing our duties in accordance with the highest standards of ethics and in compliance with University policies and all applicable laws and regulations.

**Report on**

**Elocution/Speech Competition on 'Eradicate Corruption-Build a New India'.**

**Date: November 3, 2018**

**Venue: University Auditorium**

On 03 November, 2018 an Intra university Elocution/Speech competition on "Eradicate Corruption - Build a New India" was organized by Hindustan Petroleum Corp.Ltd. in association with School of Law and Constitutional Studies, Shobhit Deemed to be University Meerut, on the occasion of vigilance awareness week. The topic of the debate was "Eradicate Corruption-Build a new India". There were around thirty participants who took part in the competition from different schools and departments of the university. (List of participants is being attached with the report separately)

The program was started by Lamp Lightening before MaSaraswati by the Hon'ble vice chancellor Prof. A.P Garg, Registrar Mr. Vijay Kumar Sing, Prof RashmiNagpal, Dean, School of Law and Constitutional Studies, Mr. Ramnath, officer of HPCL Regional office, Meerut faculty members and students. The event was anchored by Jyotsana, student of law and it was full of enthusiasm and new vision towards the eradication of corruption from India.

All participants spoke to eradicate the corruption from India and to build a new and corruption free India and they took pledge not to be involved in corruption in any way and to eradicate it from the country.

Mr. Vijay Kumar Singh, Registrar of the University expressed that such event is very beneficial for students. It will hone up their communication skills and confidence level which is very significant in the path of success. Prof A.P.Garg, Vice Chancellor of the University gave light on functions of CBI and Central Vigilance Commission and how the govt. system works to curb the corruption. He also highlighted that how intermeddlers affect the govt. and non govt. organization in terms of corruption and bribery. In addition to this he expressed how common men are suffering in with parasites corruption and wasting their time money and energy. Mr.RamNath officer HCL and Guest of the Event appreciated the active participation of students and their thoughts on eradication of corruption from society and country. He also requested entire audience present in the auditorium to take pledge against the corruption.

To judge the speeches of the participants a fair and partial jury panel was constituted. The jury panel comprises the Following member -

1. Dr. Ashok Gupta, Dean School of Business Studies, Shobhit Deemed University, Meerut.
2. Dr. Swatantra Chauhan, Associate Professor, School of Business Studies, Shobhit Deemed University, Meerut.

### “Ethical Values and Value Based Conduct Session”

#### ABOUT THE PROGRAM

The session was organized on “Ethical Values and Value Based Conduct” by Prof Dr Ashok Gupta on 5<sup>th</sup> September '2019 at Shobhit Institute of Engineering and Technology Deemed to-be University).

Prof Dr Ashok Gupta introduced the purpose of education to all the faculties present for the session. He said the true purpose of education is to build a refined society. This purpose can be achieved effectively by imparting ethics, values and morals to students. Having realized the need to impart values and to fulfill the social commitment as a reputed educational institution.

Dr Gupta mentioned goals and objectives of the session as follows:-

#### **Goals**

- Strengthening the stakeholders' sense of commitment to ethics, values and culture
- Integrating the country by inculcating ethics and values based on Indian culture

#### **Objectives**

- Creating awareness and deep understanding of ethics and values
- Suggesting ways and means to improve the quality of life, concentrating on physical, mental and spiritual enhancement
- Developing a sense of appreciation for ethics and values

The operations of our University community are defined by our values: truth, Bildung, freedom and inclusivity. Alongside our values, ethical guidelines and principles constitute a foundation for decision-making and operational development at the University. He said

He also mentioned that we are committed to:

### REPORT ON

### “Professional Values and Code of Conduct Session for Teachers and Staff”

The session was organized on “Professional Values and Code of Conduct Session for Teachers and Staff” by IQAC Director Prof. Dr. Niraj Singhal on 7<sup>th</sup> September '2020 at Shobhit Institute of Engineering and Technology Deemed to-be University.

Dr Prof. Dr. Niraj Singhal introduced everyone with the meaning of professional values he says that someone who displays professional values will:

- Portray a professional image through reliability, consistency and honesty
- Dress and act appropriately
- Deliver work outcomes to agreed quality standards and timescales
- Be accountable for their actions.

*Few important Professional values mentioned by Dr. Singhal are as follows:-*

- Dress appropriately
- Punctuality
- Politeness and respect for others
- Discretion and confidentiality
- Honesty
- Personal responsibility –
- Continuing professional development

Some examples were quoted by Dr. Singhal of how you may already have gained professional values at the University. There may also be some useful suggestions here if you are looking to develop your skills further:

- Your academic work and studies - well presented and proofread work, submitted on time; attended all lectures and meetings.

Shobhit Institute of Engg. & Tech.  
(Deemed to-Be University)  
NIT, G.D. Modipuram, Meerut-250110

- Position of responsibility
- A first aider, fire warden or health and safety officer role.
- Student ambassador or course rep - upheld and promoted the values of the University.

EDUCATION EMPOWERS

## Report on the Student Attributes facilitated by Programs on Human Values and Ethics

The graduate attributes reflect the particular quality and feature or characteristics of an Individual, including the knowledge, skills, attitudes and values that are expected to be acquired by a graduate through studies at the higher education institution. The graduate attributes include capabilities that help strengthen one's abilities for widening current knowledge base and skills, gaining new knowledge and skills, undertaking future studies, performing well in a chosen career and playing a constructive role as a responsible citizen in the society. Graduate attributes are fostered through meaningful learning experiences through the curriculum and the extracurricular activities.

Shobhit Institute of Engineering and Technology, Deemed to-be-University, expects its students to have the following attributes - Disciplinary knowledge, Communication Skills, Critical thinking, Problem solving, Analytical reasoning, Research-related skills, Cooperation/Team work, Scientific reasoning, Reflective thinking, Information/digital literacy, Self-directed learning, Multicultural competence, Moral and ethical awareness reasoning, Leadership readiness/qualities and Lifelong learning.

The quality, depth and breadth of the learning experiences made available to the students while at the higher education institutions help develop their characteristic attributes.

Shobhit Institute of Engineering and Technology, Deemed to-be-University organises regular programs on Code of Conduct, Ethical Values, Professional Ethics and the like. These programs help to develop the following attributes in students-

**Moral and Ethical awareness** – this is the ability to adopt ethical values in one's life and use ethical practices in all work. Sessions have been conducted on intellectual property rights and avoiding plagiarism which motivate students to avoid unethical behaviour such as fabrication, falsification or misrepresentation of data or committing plagiarism, not adhering to intellectual property rights. Workshops have been conducted on environmental issues, clean and green campus, tree plantation drives and energy conservation and adopting objective, unbiased and truthful actions in all aspects of work. This enables students to appreciate environmental and sustainability issues.

**Cooperation/Team work:** This is the ability to work effectively and respectfully with diverse teams and act together as a group or a team in the interests of a common cause and work efficiently as a member of a team. Large number of activities are organised by university. Are largely managed by students themselves. This trains them to work with different individuals and learn the skills of cooperation and collective action.

**Critical thinking:** Capability to apply analytic thought to a body of knowledge and analyse and evaluate evidence. Several debate and speech competitions are organised on different issues by the university which foster in students the ability to formulate coherent arguments and critically evaluate practices, policies and theories.

**Communication Skills:** Ability to express thoughts and ideas effectively in writing and orally. Large number of programs conducted on ethical values as well as debates on different topics develop communication skills in students. Students learn to express themselves, coherently, logically and confidently.

**Overall Personality Develops** – At the start of every session orientation program is held for the new students. During the orientation program there are sessions on goal setting, time management, Ethical values, leadership behaviour, and strategies for success. These foster all round development of personality.

Besides with the above attributes, other attributes like, Problem solving, Analytical reasoning, Research-related skills are also facilitated by the university through the curricular as well as co curricular activities.
