

3rd International Conference
on
Climate Change and Sustainable Agriculture for Food Security
(CCSAFS-2023- online mode in view of high heat)
Inaugural and valediction session in hybrid mode
5th -7th June, 2023

Organized by

School of Biological Engineering & Life Sciences
Shobhit Institute of Engineering & Technology, Meerut
(NAAC Accredited Grade “A”, Deemed to-be University)

ATDS, Ghaziabad,
Uttar Pradesh

And

Food Analysts Association (India)
Pallavpuram Phase 1, Modipuram, Meerut

Venue

Shobhit Institute of Engineering & Technology, Meerut
(NAAC Accredited Grade “A”, Deemed to-be University) Modipuram, Meerut 250110 (India)
E-mail: ccsafs@shobhituniversity.ac.in
Contact: +91-8077633273/ +91-9411263816

Call for Paper:

Shobhit Institute of Engineering and Technology (Deemed to be University), Meerut invites scholarly articles/research papers/abstracts (oral/poster) for International Conference on **Climate Change and Sustainable Agriculture for Food Security (CCSAFS-2023)** on relevant themes of the conference. The abstract should be submitted to the Organizing Secretary on or before 20th May, 2023 as per the format. The abstract along with the duly filled registration form may be sent in soft copy through email on ccsafs@shobhituniversity.ac.in. Acceptance of the abstract will be communicated to the corresponding author separately. The abstract will be printed in the abstract book if at least one of the authors has paid registration fee. Please submit a copy of transaction i.d. along with the abstract. Selected papers may be published in conference proceedings and research Journals namely- International Journal of Agricultural Invention (published by ATDS and Shobhit Deemed University, Meerut); for which the participants are requested to submit their original research papers as per the format of the Journals. The conference is being organized under “dual mode” (online and offline both on SIET campus)

Abstract must be submitted under followings themes:

- Climate Change, Global Warming, and Remedies
- Functional Foods and Life Style Management
- Food Safety, Security, Food Laws
- Environmental Management and Sustainable Development Goals
- Restoration of Environment
- International Food Politics,
- Integrated Farming, Natural Farming, Organic Farming and Human Welfare
- Smart Agriculture and Doubling of farmers' income
- Diversified Agriculture including Fisheries, Piggeries, Poultry and Mushroom cultivation
- Biodiversity and Conservation
- Green energy and Carbon Emission Management
- Waste management & Bioremediation
- Pollution (Air, water, land)
- Biotechnology and Human Welfare
- Miscellaneous (related to the conference but not covered under above main themes).

e-Poster Presentation:

The poster size should not exceed 106 cm (width) X 122 cm (height). The top section of the poster should indicate title, author's name and affiliation and e-mail. The content of the poster should be under the headings of Background, Objectives, Materials & Methods, Results, Discussion and Conclusions. A passport size photograph of the presenting author in the corner may be included.

Paper Presentation Award:

Three best posters and three best oral presentations under young scientists (below 35 years for students) category and (below 45 years for faculty) shall be given, under the judgment of jury.

Important dates:

Last Date for Submission of Abstract(s) for conference: 25th May, 2023

Intimation of Selected Abstract for Oral/Poster Presentation: 30th May, 2023

Note: Without registration, no paper shall be accepted (at least one author must be registered, certificate of participation shall be provided only to the registered participant)

About the Organizers:

Shobhit Institute of Engineering & Technology, a NAAC Accredited, Deemed to-be University established u/s 3 of UGC Act 1956. We are a research-based, industry oriented and highly ranked multidisciplinary University. Our academic programs are duly approved by UGC, and relevant statutory councils, i.e. AICTE, BCI and NCTE.

The University is imparting high quality education in various field of Engineering & Technology, Agriculture, Biotechnology, Microbiology, Biomedical Engineering, Management, Law, Education, Mathematics, Physics, Psychology and Yoga. The University is running UG, PG and research programs and all courses are approved by respective statutory bodies. Its students are provided opportunities to learn professional skills through world class Outcome based Curriculum, Open Electives, Live projects, Entrepreneurship training at University TBI (Sponsored by Ministry of MSME), compulsory minor industry projects as a part of curriculum.

Besides classroom teaching, students are exposed to various co-curricular activities like symposiums, presentations, seminars, guest lectures and industrial visits to provide them real world corporate exposure and to enhance their technical and managerial skills as well.

Food Analyst Association of India is a registered society fully devoted and committed for the promotion and awareness of quality and safety of food. The members of Association will demonstrate and make aware the participants and public about the minor tests for testing quality of various food products.

About Co-organizers:

Agricultural Technology Development Society (ATDS), a non-Government registered society, committed and devoted for the promotion and development of agricultural education and welfare of farmers, publishing research journal “International Journal of Agricultural Invention”.
