- Please mention the Name of the course applying on the top of the A4-size envelope, if applying offline.
- Applications reaching us after the due date are liable to be rejected / may not be processed. Submission of an admission form does not guarantee admission. Incomplete applications or applications received without all required enclosures are liable to be rejected / may not be processed.
- In case any Board / University awards grades instead of marks, the calculation of equivalent marks would be based on the procedure prescribed by the Board / University. In case a University does not have any scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing obtained CGPA with the maximum possible CGPA and multiplying the resultant with 100.

Dear candidate,

Thanks for choosing Shobhit University as your career destination.

At Shobhit University, we look to the future and believe in innovation; a vibrant, forward-thinking University with a reputation for high achievers among students, academics and researchers. And as you make the big decision as to where you would like to spend your university years, there are specific things you might like to know about us.

1. We're not an 'ancient' University and won't want to be. What excites us is to provide quality teaching and research that makes a difference to the world – today and tomorrow.
2. Across all our departments, we have a reputation for 'being pragmatic by equipping and orienting you with practical approaches to face emerging challenges'. Our courses are geared towards delivering genuine practical value and our close links with the business provide you with excellent opportunities to get your careers take off with a great start. We think globally but act locally.
3. Our priority is to help you develop the skills that employers truly value. Whichever course you choose to study, these skills will include information management, problem-solving, communication and teamwork. These are the skills that will give you a genuine edge in your future career. It's this focus that sets us apart from many other universities; in particular our International Skills Development Centre Initiatives (ISDC).
4. We invest heavily in our teaching and learning facilities so that you can make the most of your university experience. We have been in teaching for more than 25 years, but our faculty is much more senior. With us, well-known experts, media gurus, scientists and leading business figures will be mentoring programs for you and provide you with support and guidance throughout your studies. To cap it all our Ignited Minds Lectures Series will provide you with the opportunity to interact with the best minds of the country and abroad.
5. All our students have access to excellent IT resources and latest audio visual aids. We have a number of computer laboratories with the latest hardware and software support. We provide network connectivity throughout the campus. There are also hot-spots across the University allowing Wi-Fi network access when and where you need it.
6. Students who enjoy sports and body fitness will love the facilities at Shobhit University. Our Centre for Sport and Recreation includes a cardio-vascular suite and numerous other facilities including squash, badminton, weight training and fitness classes. For lovers of outdoor sports, facilities ranging from athletics to football are available to choose from. It doesn't end there. There are a number of clubs, adventure sports and volunteer opportunities to join in– making new friends is never difficult at Shobhit University.

7. The University enthusiastically looks into the immediate & future needs of its students. Academic, training, placement, project and psychological needs of the students are carefully perceived, action plans formulated and implemented by the University Training & Placement Centre. We understand that active engagement of the industry with the academia is vital for developing the required skills in future professionals. Recognizing the current scenario of the 'skills gap' and to help industry to overcome it, we have launched the "Industry Engagement Initiative".
8. Shobhit University has mutual recognition, validation and partnerships with a range of reputed universities and research institutes globally. This has enabled it to pass through a rigorous process of mapping and matching required for mutual accreditation of programs and associated facilities, besides firmly securing for it a place on the global map.
9. Shobhit University believes that one good move makes all the difference. As an initiative to recognize the merit and hard work of our young aspiring professionals, we have instituted a number of Scholarships and Research fellowships for your benefit.

We are keen to receive applications from all potential students who could benefit from the courses which we offer.

Each course has its own requirements and details for the most common qualifications are given in each fact-file; remember that requirements can change, so please check the latest information online on the University website. If you have any other qualification, or you think may be able to enter without a traditional entry qualification please contact the Admissions Office.

International Students

INDIA has always been an experience for anyone who has ever visited this exceptional nation. It is a land full of culturally diverse people, with each culture being unique and rich, and with a history and identity of its own. India is the land of Himalayas, a range of nature in all its glory. While numerous monuments in India are examples of human splendor and perfection, it is believed that most moving pieces of architecture are in India. India is home to many religions with all Indians celebrating religious festivals and occasions together.

The University welcomes foreign students at its lush green academic residential campus, located at Meerut. Students from countries such as Tanzania, Uganda, Kenya, Mongolia, Vietnam, Oman, Dubai, and Nepal have already studied with us. Various courses offered and eligibility to the courses is listed in the Admission Booklet. Students are advised to select the right course and check their eligibility carefully.

The Fees are payable on annual basis. The University will not accept any cheque or cash. Fees could be paid either through crossed Demand Draft in favour of Shobhit University, payable at Meerut, Uttar Pradesh, India or money transfer through bank which is to be done before the commencement of Semester. In India the only currency accepted is INR but for the convenience, international students may deposit fees in USD also.
