A. FROM THE EDITOR’S PEN:

It is with great pride and pleasure that I bring before you the Annual (2017-2018) issue of “Bodhi Vriksh”. This e-magazine showcases the entire gamut of scholastic, co-scholastic and extracurricular activities of the students and staff of Shobhit University. The roots of “Bodhi Vriksh- A tree of Knowledge” go back deep into time. It was several decades ago that Dr. Shobhit Kumar and Kunwar Shekhar Vijendra established NICE Society (a non-profit organization) with the objective of youth empowerment, employment generation and economic growth. We at Shobhit University believe that Education Empowers and it is our mission to work for comprehensive personality development of our students and thereby contribute to social uplift.

Bodhi Vriksh is the result of tireless labour of the entire team. I thank them for their dedication. We are also grateful to Hon’ble Chancellor Kunwar Shekhar Vijendra for his inspiration and blessings, Patron, Prof. (Dr.) Amar P. Garg, and Registrar, Mr. V.K. Singh for their support.

Happy Reading!

Prof. (Dr.) Poonam Devdutt
Director, School of Business Studies
Chief Editor- Bodhi Vriksh

Electronics Security & Fire Systems provides its user with a reasonable degree of protection against one or more real or imagined dangers, threats, or nuisances. An “electronic security system” is one in which the system’s actions are heavily dependent on electronic circuitry. These systems are broadly utilized within corporate work places, commercial places , shopping centers, in railway stations, public places etc. Experts from DUCAT, Mr. Victor Rathore and Mr. Gaurav Jain conducted the full day workshop.

6. **Symposium on Biological Clock and its Importance for Indian Lifestyle:** School of Biological Engineering and Sciences organized a symposium on the above theme on 14 October 2017. The symposium brought together the leading academicians, scientists, and researchers to
7. **The Principals’ Conclave**: The Principals’ Conclave-2017 was organized by School of Business Studies, on 10 November, 2017 with the theme, “Schools Today….and The Road Ahead”. The Conclave was inspired by the vision of Honorable Prime Minister, Shri Narendra Modi, to create 20 World Class Universities in the Country.
Schools are the foundation for Universities, therefore it is important to initiate a constant dialogue between Schools and Institutions of Higher Education. India is a youthful country with a sizeable percentage of our population less than 24 years of age. Shobhit University felt that holistic education from primary to the highest level is the need of the hour. In general, there is no interaction between Schools and Institutions of Higher Education. Also, a large number of school leaving students drop out of the Education Eco-system and do not opt for higher education. In view of the above, The Principals’ Conclave 2017, the first Conclave of its kind in Western UP, was organized to bridge the disconnect and give School Principals a platform to meet, interact, brainstorm and share their insights on a host of issues relevant for Schools today.

About 30 Principals from different CBSE, ICSC and UP Board participated in the conclave and deliberated on the sub themes. The Chief Guest Mr. Ashok Sharma (IFS & Former Ambassador to Finland) gave an account of the education system of Finland, one of the best in the world. Hon’ble Chancellor, Kunwar Shekhar Vijendra and Shri Mahamandleshwar Martand Puri expounded on the School eco-system in India. Prof. Poonam Devdutt, director School of Business Studies welcomed the guests and introduced the sub themes. The participating Principals deliberated on the challenges faced by schools and solutions thereof.
8. **Workshop on 3-D printing**: Department of Mechanical Engineering organized a workshop on “3-D printing” on 21 November, 2017, under the guidance of Dr. Sanyam Sharma (Head-Mechanical Engineering). This workshop was conducted by CETPA Infotech, Noida. Technical experts Mr. Kautilya Kashyap and Mr. Rohit Pahawa explained the significance of 3-D printing in Computer aided designing (CAD). Later, a practical session on 3-D Printer was carried out. The Honorable Vice-chancellor Dr. Shaktidev Mukherjee also guided students by emphasizing the need of 3-D printing.
9. **Workshop on Yoga in Daily Life**: Centre for Yoga and Research, Shobhit University, Meerut organized one day Workshop on Yoga in Daily Life on 8 December, 2017. Renowned International Yoga Guru Soham Guruji spoke on ‘Value of Yoga in Daily Life’. He also explained how to curb various diseases related to shoulder, eyes, hair fall, depression etc. by the practice of Yoga. Yoga Guru Soham Guruji has delivered lectures on Yoga in over 35 countries of the world. He has received numerous awards from different countries and Ministries. Recently, Egypt appointed Soham Guru ji as its brand ambassador, due to his extraordinary work in the field of Yoga. Vice Chancellor Prof. Shakti Dev Mukherjee, Registrar Vijay Kumar Singh and
Director School of Business Studies (Prof.) Dr. Poonam Devdutt inaugurated the workshop. Deans of various Departments and all the faculty members and students of University were present.

10. **Scout and Guide Camp:**
Department of Education organized a four day Scout and Guide from 5 Jan to 8 Jan, 2018. The camp was inaugurated by Prof. Shakti Dev Mukkherjee, Vice Chancellor, Shobhit University, Meerut; and Shri Vijay Kumar, Registrar, Shobhit University, Meerut. The Scout and Guide camp was led by the Scout trainer Mr. Manoj Sindhi, and the Guide trainer Ms. Alka Thakur.
The 63 participants of the camp were from B.Ed. and BTC 1st and 2nd year course. A total of 11 patrol teams were formed having 5 team members with 2 group leaders. The four day camp started with the yoga session, and the integration program, and continued with the learning of various techniques of knots, hitches and lashings for improvised tent, etc.

The scouts were trained in different aspects of first aid. Other activities included, Human Ambulance, Human pyramid, Monkey bridge, Lotus Act etc. The camp came to an end with a wonderful performance of all the scouts. The camp director Dr. Parul Sharma, Chief Guests, Faculty…
members Ms. Uma Sharma and Mr. Rahul Tomar praised and congratulated all the scouts and guides for their wonderful performance in the grand event.

11. **Webinar on “Disaster Recovery with Oracle”**: Department of Computer Science & Engineering organized a WEB Seminar on “Disaster Recovery with Oracle” on 16 February, 2018. The web seminar was hosted by Mr. Amit Kumar from Oracle Technologies. Objective of the seminar was to provide information on how Oracle’s Zero Data Loss Recovery Appliance integrates advanced data protection with Oracle Database to address loss and recovery challenges. The major focus of the webinar was on the utility in today’s environment, where data loss is a prime concern. The seminar was meant to motivate people and organisations to move towards Oracle Cloud for better utilization and security of their business data.

12. **Budget Conclave- 2018**: School of Business Studies organised Annual Budget Conclave 2018 under the theme of “Analysis and Impact” on 22 February 2018. Bishnoi, Independent Director, Bank of India, shared his views on investments and savings. Prof. (Dr.) R. P. Juyal discussed the Indian economy, GDP, GNP, employment status and savings. Mr. Manu Rishi, leading tax consultant presented various aspects of the budget related to taxation. Mr. Sanjeev Mittal, former President, Indian Industries Association, spoke about the importance of budget for industry and organizations. The session was attended by students of all the departments of the university.
13. **Workshop on “PSSE & PSS SINCAL”**: 
A one day workshop was organized on “PSSE & PSS” in the Department of Electronics & Electrical on 22 Feb 2018. Experts from Siemens (PTE) Vikash Chaturvedi and Bhavesh delivered lectures and conducted live sessions.

For developing countries like India, where 70% of population, in both the farming and non-farming sectors, is dependent on agriculture as a main source of income, the role of sustainable agriculture cannot be overlooked. In view of the above the Department of Biotechnology, Agriculture and Agri-Informatics, Shobhit University Meerut in association with Society for Scientific and Social Development (SSSD), organized the National Conference
on “Agricultural Sciences and Sustainable Environment ASSE-2018” on 24 February, 2018.

The Inaugural session of the conference was graced by the benign presence of Chief Guest, Prof. M. P. Yadav, Ex-Director, IVRI, Izzatnagar & Former VC of Sardar Vallabh Bhai Patel University, Meerut and Kunwar Shekhar Vijendra, Hon’ble Chancellor, Shobhit, University, Meerut, Pr of.
