Certificate

This is to certify that Shobhit Institute of Engineering & Technology (Deemed to be University), Modipuram, Meerut, Uttar Pradesh has conducted detailed Energy Audit of their campus. The activities and measures carried out by the university have been verified and found to be **acceptable**.

The energy conservation opportunities have already been identified by the university and few of them are under implementation. The audit team has also suggested opportunities towards carbon reduction and it was acceptable by the management.

The positive approach of the management towards energy, environment and sustainability is highly valued and commendable.
