SU SAARC Higher Education Initiative – 2022

Keeping the commitment of India to strengthen the relationships with neighboring countries and to facilitate quality education with International Standards to the students of selected countries, the University has decided to charge Domestic fees from International students of selected SAARC countries. This Special Fees structure is applicable for Nepal, Bhutan, Bangladesh, Afghanistan, and Sri Lanka only. The candidates, from SAARC Countries, admitted under this initiative will not be entitled for any other additional Scholarship.
