

Specification

Related to Business Lab.

1. **Name of Facility-** Business Lab.
2. **Area of Room/ Facility:** 35 Sq.M.
3. **Room No.:**S-006– Ground Floor
4. **Year of the establishment:** 2019
5. **Names of Faculties involved:** Dr. Naeha Vashishta
6. **Outcome of the Facility Involved:** Business Laboratory offers experimental learning by bridging the gap between theory and practice. It also accelerates learning and delivers expectation return on investment by increasing engagement level. It provides different modes of simulations for student development. The single mode helps the student to learn on their own at individual simulation level by competing against Artificial Intelligence (AI) while workshop mode helps the certified faculty run the simulation program along with curriculum.
7. **Ongoing Projects:** Simulation
8. **Name of the faculty and students associated with it:** Dr. Neha Vashishtha and Dr. Preeti Garg, UG and PG students of NICE SBS.
9. **Budget of the each activity and project:** need based flexible
