

Specification Related to Central Instrumentation Facility

1. **Name of Facility-** CIF Lab.
2. **Area of Room/ Facility:** 66.69Sq.M.
3. **Room No.:** S-121; B2 – Second Floor
4. **Year of the establishment:** 2009
5. **Names of Faculties involved:** Prof. (Dr.) Amar P. Garg, Dr. Subrata Das, Dr. Sandeep Kumar, Dr. Alpana Joshi
6. **Outcome of the Facility Involved:** Spectrophotometric Analysis (Biochemical, Physicochemical Analysis), FTIR Analysis (Phytochemical Functional group analysis), Incubation Facility, Water Quality Analysis.
7. **Ongoing Projects:** All Ph.D. research scholars are using various tools and techniques to analyze and evaluate their samples using techniques available.
8. **Name of the faculty and students associated with it:** All Ph.D. supervisors, research scholars, and PG + UG students involved in project
9. **Budget of the each activity and project:** need based flexible
