Notice Regarding Contribution of equipment related to media centre to strengthen the online lectures during pandemic.

Dear Alumni,

I am pleased to share with you all that during pandemic, the University has started online classes since the very first day of Covid-19 pandemic and all the faculties are taking lectures online so that the student community can continue their education.

In this regard I would like to share with you that we are establishing a media centre in the university where we seek the contribution from our alumni.

Those who are willing to contribute may contact the Registrar on below mentioned Email Id:

**Subject: Contribution of equipment related to media centre to strengthen our alma mater
as gift for conducting online classes.**

Respected Sir,

As we all know that the whole world is facing an unprecedented pandemic known as COVID-19 and we all are stuck in our homes due to lockdown. The impact of the pandemic affected the teaching learning process and the student's community is facing more trouble as the education system has to shift to online mode of delivery. However, neither the students and nor the teachers were ready to face the situation. Hence every one, teacher and the students are facing the problem.

I feel more proud to state that if I am doing well in my personal and professional life, it is just because of my alma mater and the teachers who sharpen me as per the requirement of the world of profession. Now I feel that it is my duty to payback a little bit to my university if I can. In the interest of students, I would like to gift some of the equipment and other material with this letter to my alma mater to strengthen its online teaching and learning process.

I hope that you will understand my feelings and emotions and will accept my humble contribution. Your kind act of acceptance shall certainly be grateful to me.

Thanks and Regards

Sandeep Jain
Alumnus 2015-17 Batch (LL.M.)
