Action Taken Report on Curriculum Revision

Program Name: B. Tech. (Mechanical Engineering)

Date: 5-August'18

- BoS Meeting conducted on 3-August'18, in the School of Engineering & Technology. The action taken for the curriculum modification.
- As suggested by the stakeholders in the feedback, following new subjects were introduced in 5th semester:
 - Kinematics & Theory of Machines - MEC 515
 - Solid Mechanics - MEC 513
- As per the suggestion in feedback, University has adopted an ERP COLLPOLL to impart best teaching.

Student Feedback Form

In our constant endeavor to enhance your learning experience, we invite your feedback. Feel free to give your frank, fair and honest feedback about your faculty and facilities. You may also suggest any other improvements which you would like to see in future.

Name of the Student: (Optional): _____

Department / School: B.Tech (M.E.)

Programme: B.Tech (M.E.)

Year: 2016

Session: 2016-2017

Make a tick mark in the appropriate cell.

A. Teaching Learning Process

S.No.	Give your feedback on the following	Excellent	Very Good	Good	Average	Po
1	Extent of syllabi covered in the class	✓				
2	Student Teacher Interaction	✓				
3	Teaching Methodology adopted by the teachers	✓				
4	Career Guidance and Assistance By Teachers	✓				
5	Integration of theory and Practical (if applicable)	✓				
6	Overall learning environment	✓				

Suggestions to improve the teaching learning process:

mechanical innovation center should be
developed in the department.

B. Curriculum Aspect

S.No.	Give your feedback on the following	Excellent	Very Good	Good	Average	Po
1	Syllabus offered by the courses.	✓				
2	The design of the courses in terms of extra learning or self-learning.	✓				
3	Courses offering LAB components.	✓				
4	Depth of the syllabus of the courses in relation to the competencies expected by industry/current global scenarios.	✓				
5	Sequence of the courses provided in the curriculum.	✓

Feedback from Faculty Members

We invite your feedback. Feel free to give your frank, fair and honest feedback. You may also suggest any other improvements which you would like to see in future.

Name of the faculty: Dr. Jayanta Kr. Mahato

Designation: Assistant Professor

Department: Mechanical Engineering

Date of Joining: 23.09.2019

This opinion of yours will be kept and used confidentially. Please note that this opinion is valuable for the improvement of the system of the university and the IQAC will be grateful to you for your frank and valuable opinion. You may also give suggestions below each section table.

I. CURRICULUM DESIGN AND DEVELOPMENT

S.No.	Particulars	Strongly agree	Agree	Neutral	Disagree	Strongly disagree
1	Board of studies ensures that the latest and relevant programmes are being offered		✓			
2	Employability is given weightage in curriculum design and development		✓			
3	Teachers are given enough freedom to contribute their ideas on curriculum design and development	✓				
4	The system followed by the university for the design and development of curriculum is effective.	✓				
5	The curriculum is updated from time to time.	✓				
6	Representation from business and industry in PG Boards of studies is helpful in designing and improving the courses.		✓			

Suggestions for improvement in curriculum design and development:- Numbers of Practical
works of the relevant theoretical subjects (if applicable) should be
introduced in the same semester in which the theoretical subject being
taught.

II. TEACHING, LEARNING, EVALUATION & RESEARCH

S.No.	Particulars	Strongly agree	Agree	Neutral	Disagree	Strongly disagree
01	Admission process and procedure adopted by the university is effective	✓				
02	The university is able to attract meritorious students	✓				
03	Student-centered learning resources are available in the university	✓				
04	The faculty members update their knowledge and skills	✓				
05	The class work takes place as per schedule	✓				
06	The university central library is a major source of information	✓				
07	The library is used optimally by the teachers		✓			
08	The library is used optimally by the Research Scholars		✓			
09	The library is used optimally by the students	✓				
10	The library is managed effectively	✓				
11	It is easy to use library for issuing books, reading and reference	✓				

Registrar
Shobhit Institute of Engg. & Tech.
(Deemed to-Be University)

	Adequate teaching aids are available for the classrooms, seminars, lectures and presentations etc.	✓				
13	Teachers have easy access to learning resources and they are supported in having new resources		✓			
14	Teachers are encouraged to organize seminars/ workshops/ symposia/ conferences etc.		✓			
15	Teachers are encouraged to do research		✓			
16	Teachers are encouraged to participate in seminars/ workshops/ symposia/ conferences etc.		✓			
17	Teachers are encouraged to undertake extension service programmes		✓			
18	Teachers are encouraged to establish linkages with industry	✓				
19	Teachers are encouraged to take up consultancy-services		✓			
20	Merit of the teachers is recognized	✓				
21	Examination system followed by the university is effective	✓				
22	The evaluation system followed by the university is effective	✓				

Suggestions if any, for improvement in teaching, learning, Evaluation and Research: *Teachers to be more encouraged to do more research work by bringing projects from different Government/Non-Govt. agencies and organising/participating more seminars/conferences/workshops etc.*

III. INFRASTRUCTURE

S.No.	Particulars	Strongly agree	Agree	Neutral	Disagree	Strongly disagree
01	Classrooms and the furniture etc are adequate	✓				
02	Enough number of toilets are available for the teachers, staff and the students	✓				
03	Building and furniture are well maintained	✓				
04	The laboratories wherever needed, are adequately equipped		✓			
05	The infrastructure available in the department is optimally used	✓				
06	Enough parking facility is available in the university campus	✓				
07	Roads are maintained well within the campus	✓				
08	Water resources are adequately provided	✓				
09	Safe drinking water is available in the campus	✓				
10	Sports infrastructure and facilities are adequately available within the university	✓				
11	Enough green efforts are consistently made by the university	✓				
12	The university is making adequate efforts to conserve energy	✓				
13	Rain water is not wasted inside the campus	✓				

NH-58, Modipuram, Meerut-250110

Suggestions if any, for improvement in infrastructure: *Project proposals should be send*

by the concerned teachers to the Government/Non Government agencies
to develop the laboratory facilities/testing facilities/laboratory infrastructure

IV. GOVERNANCE:

S.No.	Particulars	Strongly agree	Agree	Neutral	Disagree	Strongly disagree
01	Management makes sincere efforts for the development of the institute	✓				
02	The administration is accessible	✓				
03	Quality initiatives taken up during the last academic year are contributing for improvement	✓				
04	MoUs with other universities/ institutions/ industry are meaningful and they enhance the scope for mutual cooperation with institutions and research organizations of good repute		✓			
05	Faculty-members are given freedom to express their opinions	✓				
06	IQAC is working well for promoting quality in the university	✓				
07	The university is providing adequate opportunities and support to the faculty and their family members.	✓				

Suggestions for improvement of Governance:

MoU with other Universities/Institutes/Industry should be more stronger and meaningful for the development of research work in the University.

Questions	Strongly Agree	Agree	Moderately Agree	Disagree	Strongly Disagree
The University is progressing towards building the academia-industry gap by inculcating advanced techniques in teaching learning process as per the requirement of industry.		✓			
The University has provided very good infrastructure support and a logistic arrangement for holding the placement drives.	✓				
The University has sufficiently imparted the soft skills, analytical reasoning etc. inside its students.		✓			
The curriculum, teaching learning and evaluation process of SIET is matching with the recent industrial requirement.			✓		
The courses offered to provide a solution to issues relevant to Gender, Environment, and Sustainability.		✓			
The current syllabus is job-oriented, skill-based and value-oriented.		✓			
The curriculum is relevant for employability and job placements.	✓				
The curriculum is relevant for the solutions of global and national problems.	✓				
Effectiveness of curriculum for the development of entrepreneurship.		✓			
The Internship helps in placements.	✓				

Your valuable suggestions (if any) Institution is totally focused on the
good curriculum but if they can have expert talks
from the industries then it can be great exposure
for the students.
